different kinds of roots backs and herbs, which are inperfect consect one with the other, propared from the
original formula given by the great chief Red Jackst.
to Pr. Chapin, who used them successfully in his practice for many years, and by their two gives so great a
popularity in the treatment and cure of Dyspepela,
liver Complaint, Constigation, Sick and Neurous Headsche, Fewer and Ague, and all diseases arong from
origid liver and indigestion. Persons suffering from
either of these loathsome disease will find a cure by the
use of these Batters, which are perfectly pure and freefrom all those drugs and poisons nearly not up in such
preparations, and palmed off on an unsuspecting public.
A single trial will convince the most shapiness that in
the RED JACKET there is a virtue that no other
Bitters possess.
